

Fellowship Village Independent Living Visitation Notice

Due to the colder weather approaching, effective November 9, 2020, visitation for our Independent Living residents will move to a heated outdoor location to ensure safety based on guidance from the NJ Department of Health and the CDC.

For safety and convenience, the heated outdoor patio area of the Wilson's Tapas Bar Lounge, can be reserved for visiting an Independent Living resident in a covered, heated, outdoor environment. Family members and friends may visit with their loved ones in this area using our online appointment visit booking system.

An appointment must be made in advance to visit. Schedule an appointment at:

<https://fellowshipvillageil.simplybook.me/v2/>

1. Click on the Independent Living button to see a list of available appointments.
2. Please select your preferred day and time and then enter the resident's name where indicated. Once the appointment is booked, you will receive a confirmation email. Check your spam folder if you do not receive it within 24 hours.

For the protection of yourself, our residents, team members and other visitors, please do your part in keeping everyone safe and refer to our visiting guidelines on the next page.

Visitor screening for COVID-19 is required at the Main Entrance on the day of your visit, no more than 10 minutes prior to the scheduled time. This includes completion of a consent to visit form and a short questionnaire and observation for symptoms of COVID-19 including a temperature check. Visiting will be permitted for 20 minutes if the screening is passed.

If you have had known traveled to or from a known hot spot (please check NJ travel advisory list) or have known exposure to COVID-19 in the past 2 weeks or you or someone close to you are or have been ill with fever or potential COVID-19 symptoms within the past 3 weeks, stay home, contact the receptionist to cancel your visit and contact your physician or 911 as needed. COVID-19 symptoms include fever, fatigue, shortness of breath or difficulty breathing, sore throat, cough, runny nose, chills, repeated shaking with chills, muscle pain or body aches, headache, new loss of taste or smell and, OR G.I. symptoms (diarrhea, nausea, or vomiting).

To accommodate the anticipated volume and needs of all our residents, visiting is currently limited to one visit per week, based upon availability. Up to two people are permitted to visit during an appointment. Visitors may not split the visiting time so that more people can visit.

- Masks must be worn correctly by visitors and residents at all times.
- No eating or drinking is permitted including during visiting.
- On arrival, visitors must be logged in by the Receptionist at the front entrance desk. There are signs to ensure physical distancing of 6 feet from others.
- COVID-19 screening and a temperature check will be performed.
- The Receptionist will provide the consent form that must be signed to visit.
- Once the screening/consent process is complete, visitors must sanitize their hands.
- Visitors will be directed to their designated seating which will be arranged to ensure at least 6 feet of space between resident and each visitor. Please do not move the chairs and avoid physical contact.
- A Team Member will remain nearby to assure compliance and sanitation of all areas with safety as a top priority.
- Visitation should not exceed 20 minutes for the visit to allow for sanitizing and for others to use the space.
- Visitors may bring items for their loved one and they may be left with the Receptionist for delivery, as always.
- Pets are no allowed.
- Please do not arrive more than 10 minutes early for your visit.
- Fellowship Village reserves the right to limit or cancel visitation in the case of increased infection risk within or in the surrounding community.
- **Visitors who do not adhere to this visiting policy will be asked to leave immediately as they may place the lives of our residents and team at risk. A quarantine for 14 days may also be advised for the visitor and resident.**

While we understand that you may want to visit your loved one indoors and inside their residence, we must remain vigilant to ensure the safety of our residents and consider those on campus with compromised health conditions. It is out of an abundance of caution that we are setting forth these guidelines to keep everyone safe and our resident population COVID free. Thank you for your cooperation and understanding toward helping us to protect our residents and community.

Questions about our visiting policy may be directed to Patty Yannotta, Director of Hospitality and Lifestyle at 908-580-3853.

Sincerely,

Brian G. Lawrence
