# Notice to all Visitors

Coronavirus disease (COVID-19) update

To protect our Residents and Team Members, we are **temporarily enacting the following restrictions regarding visitation:**

**No Visitation by anyone** if in the last 24 hours you have any G.I symptoms, fever, cough, shortness of breath, chills, sore throat, muscle pain, headache, or new loss of taste or smell.

**Health Center at Fellowship Village** (Assisted Living, Memory Care, Skilled Nursing, and Post-Acute)

- Visitors are not permitted inside (including independent Fellowship Village Residents), except for end-of-life situations please contact the nurse supervisor at 908-432-9391.
- To arrange an outside visitation or Virtual (Skype, WhatsApp or Facetime) visitation with your loved one, please email [lifenrichment@fellowshipsl.org](mailto:lifenrichment@fellowshipsl.org).
- For general inquiries, please contact 908-580-3824 from 7 am – 9 pm seven days a week.
- Personnel, support services and patients will continue to be rigorously screened, including temperature checks. **Volunteers** shall be restricted from the Community.

**Fellowship Village Independent Living Community**

- **No Indoor Visitation** for any **non-essential visitors** (friends, families, volunteers, etc.).
- To arrange an outside visitation, please schedule with our Receptionist at 908-580-3800.
- **Limited visitation hours** – Essential Visitors (service providers, deliveries, etc) must call the Receptionist at x3800 from the vestibule phone to enter through the main Community Center entrance by the Mitchell and Ann Sieminski Theatre between the visiting hours of 9 am to 5:30 pm and sign-in and be screened by the Receptionist (**temperature checks required**). After 5:30 pm for emergency situations please use vestibule phone to contact security at ext. 3824.
- **Limit physical contact** - Please remain **six feet apart** from anyone in the Community, no shaking hands, **limit** your surfaces touched, **limit** your movement to only those areas necessary, frequent hand washing for 20 seconds, and cough/sneeze in a tissue.
